Special Memories:

Molly and Cameron have deep affection for their families and Arizona. Their wedding brought their guests to the Desert Botanical Garden, Brophy Chapel, the Arizona Biltmore and Wrigley Mansion so that the couple could share "old Phoenix" with everyone. In tribute to their families, Cameron wore his great-great grandpa's pocket watch and his grandpa's cufflinks. To honor her recently deceased grandma, Molly wore a pair of her earrings and placed a rosary in her bouquet.
